NOTES:

- All shower doors have 1/4" thick glass.
- All swing doors are reversable, hinged for left or right installation with hinge against the wall panel.
- In-line Panels can be installed either left or right.
- Doors will measure 2" less than the width of the rough opening (to allow for drywall, and wall finishes) with an adjustment of + 3/4".
- See our website for details about our Glass Protection Option.
